

# Hustle Bustle

**CHORUS**     *Hustle bustle, let's get busy,  
Planning for our journey.  
Hustle bustle, let's get busy,  
Must be on our way.  
(Repeat)*

- 1 Caesar has decreed a law we all must heed:  
We must travel to the place of our birth.  
Just as Caesar planned, all across the land  
We must travel to the place of our birth.

**CHORUS**

*Repeat verse*

**CHORUS**     *Hustle bustle, let's get busy,  
Hustle bustle, let's get busy,  
Hustle bustle, must be on our way.*
