

# Something's Going On

## ***Curious Sheep (solo)***

1 Something's going on I just know it.  
Nothing's as it seems, can't you see?  
Instead of lying there, snoring in the evening air,  
Why don't you help me solve this mystery?

## 2 ***Flock***

Oh we're tired of your constant noisy bleating.  
Nothing's going on, can't you see?  
So just go to sleep you noisy sheep,  
And forget about your mystery.

## 3 ***Curious Sheep***

But something's going on I just know it.  
Nothing's as it seems, can't you see?  
Instead of lying there, snoring in the evening air,  
Why don't you help me solve this mystery?
